YOUTH CAMP

JULY 6 - JULY 10

week 11
Until the End
Hebrews 6:1-12

Total Time: 60 minutes (flexible)

opening prayer

Leader Prompt (Optional): Hebrews reminds us tonight that faith is not only about how we begin, but how we continue. The Christian life is a race of endurance, and God strengthens His people to keep running.

Prayer: "Father, thank You for sustaining us even when we grow tired. Guard us from drifting and renew our strength tonight. Help us fix our eyes on Jesus and run with endurance. In His name, Amen."

highlights & connection

Purpose: Surface the reality of spiritual fatigue and perseverance

Leader Prompt (Optional): *Invite honest sharing. The goal is reflection, not fixing.*

opening reflection

- When have you experienced the "middle miles" of something, where the excitement faded but the finish line still felt far away?
- Why do the middle stages of a journey often feel harder than the beginning?
- What temptations cause people to quietly drift rather than openly rebel?

Key Thought: "Fatigue is not failure, but fatigue can lead us to drift if we stop fixing our eyes on Jesus."

Story Connection: Recall the illustration of long-distance runners who must push through the middle miles by focusing on the finish line.

scripture focus

Read Aloud: Hebrews 6:1-12

(Invite someone to read slowly. Encourage listening for both warning and hope)

Context (Leader Summary)

The believers addressed in Hebrews had experienced real spiritual blessing. They had heard the gospel, seen the power of God at work, and begun walking in faith. Yet many were becoming spiritually tired and tempted to drift back toward something familiar and easier.

Hebrews gives a serious warning: walking away from Jesus means walking away from the only source of salvation. But the purpose of the warning is not fear. It is preservation. God uses warnings to strengthen His people so they continue trusting Him.

main discussion focus

Leaders: keep this invitational, not heavy. This is recalibration, not rebuke.

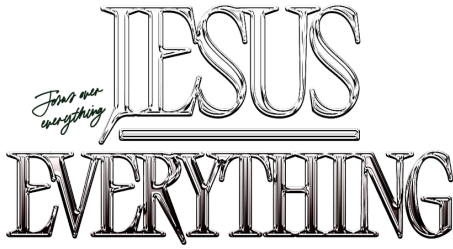

Key Truth # 1 - The Danger of Drifting

"Therefore let us leave the elementary doctrine of Christ and go on to maturity..." (Hebrews 6:1)

Discuss

- Why can spiritual drift happen slowly and quietly rather than suddenly?
- What are some modern substitutes that feel spiritually "close" but remove Jesus from the center?
- How can familiarity dull our urgency in following Christ

Key Insight: Something that feels spiritually close to Jesus is not the same as trusting Jesus Himself.

Key Truth # 2 - The Seriousness of Abandoning Christ

"...since they are crucifying once again the Son of God..." (Hebrews 6:6)

Discuss

- Why does Hebrews speak so strongly about turning away from Christ?
- Why is there no alternative source of salvation apart from Jesus?
- What does it mean to treat Christ as insufficient?

Key Insight: The warning is severe because Jesus is the only Savior.

Key Truth # 3 - God Sees and Sustains Faithful Endurance

"God is not unjust so as to overlook your work..." (Hebrews 6:10)

Discuss

- Why is it encouraging that God sees even quiet faithfulness?
- How does remembering God's faithfulness strengthen endurance?
- What does it look like to keep trusting Christ when results are not visible?

Key Insight: God sustains His people through the long obedience of faith

missional living

Purpose: Move the group from spiritual fatigue toward renewed endurance and faithful maturity.

Leader Frame: The Christian life is not a sprint. It is a lifelong race of trusting Jesus. In Epistle to the Hebrews 6:1-12, believers are encouraged to move forward in maturity and not grow weary in faith. Growth happens as we continue trusting Christ and living out what He has done in us.

Seeing Jesus Clearly → Running with Endurance

Brief Discussion

- Where do you feel spiritually tired right now?
- What helps you keep trusting God during seasons when motivation is low?
- Hebrews calls believers to move forward in maturity. What practices help you stay spiritually engaged when faith feels difficult?

Leader Note: Encourage honest but brief responses. The goal is reflection, not solving every problem.

Living It Out as the Family of God

Hebrews reminds believers that God sees their love and faithfulness (Hebrews 6:10). One way faith grows stronger is when we continue living it out and encouraging one another.

Sharing your faith does not require a long, intimidating speech. Often it simply means sharing, in a natural way, what Jesus has done in your life.

Leader Prompt: Faith matures not only through learning more truth, but through living it and speaking about what Christ has done.

Jesus *Join me everything* EVERYTHING

Group Sharing

Invite each person to share briefly:

- Prayer — “Can I pray for something in your life right now?”
- One area where they need renewed strength from Jesus
- One simple way they could share their faith story with someone this week

Examples might include:

- Encouraging a friend who is struggling
- Mentioning how God helped them through a recent challenge
- Offering to pray for someone
- Sharing a brief story of how Jesus has changed their life

(Keep sharing brief, safe, and practical.)

Weekly Practice & Shared Accountability

This Week's Practice

- Identify one area where you feel spiritually tired.
- Re-engage one rhythm that strengthens your faith (Scripture, prayer, worship, or community).
- Prepare a simple, authentic summary of what Jesus has done in your life.
- Look for a natural opportunity to share that story with someone God has already placed in your life.

Leader Note: Encourage simplicity. A few honest sentences about Jesus' work in your life can open meaningful spiritual conversations.

Accountability Rhythm

At the next gathering, briefly share:

- What rhythm you returned to this week
- Whether you had an opportunity to share about Jesus
- What you noticed as you trusted God in that step

Key Reminder: Endurance grows through consistent faithfulness, and faith becomes stronger as we continue living and sharing the work of Jesus in our lives.

prayer: praying together

Prayer Rhythm

1. **Honest Prayer:** Share where you feel spiritually tired
2. **Renewing Prayer** – Ask God to strengthen faith and perseverance
3. **Endurance Prayer** - Pray for one another to continue trusting Jesus until the end

Group Prayer Prompt: “Jesus, You are the author and finisher of our faith. Renew our strength and help us keep trusting You until the race is finished.”

final takeaways - carry this week

- Strong beginnings do not guarantee strong finishes.
- Spiritual fatigue is not abandonment.
- God's warnings are meant to preserve faith.
- Renewal comes through returning to Christ-centered rhythms.
- Fix your eyes on Jesus and run with endurance.

memory verse

““And we desire each one of you to show the same earnestness to have the full assurance of hope until the end.”

Hebrews 6:11-12 (ESV)
