# BREAK NEW GROUND

“SOW RIGHTEOUSNESS FOR YOURSELVES, REAP THE FRUIT OF UNFAILING LOVE, AND BREAK UP YOUR UNPLOWED GROUND; FOR IT IS TIME TO SEEK THE LORD, UNTIL HE COMES AND SHOWERS HIS RIGHTEOUSNESS ON YOU.”

## PASTOR DEREK NEIDER | EPHESIANS 5:14

**“AWAKE, O SLEEPER, AND ARISE FROM THE DEAD, AND CHRIST WILL SHINE ON YOU.”**

We is the most important word to remember when we consider who “we” are. The church is made up of all of us and it is important to walk in unity with what God has called us to do. God is already on a mission and our job is to come along side Him to fulfil the redemptive work of Christ among the nations through the active proclamation of the gospe by EVERY Christian. As a part of Awaken Las Vegas, we all need to be engaged and intentional. So we want to ask God what unplowed ground exists in us that we need to allow God to Dig up so that we can grow? We want to shine the light of Christ to our city and the world and we can't do that if we are “asleep” and not actively looking for ways to not only reflect that light but radiate it in everything we do!

**Leaders: Take your group through each section: Pray, Reflect, and Reach. Keep in mind the time allowances. In the Reflect section, feel free to focus on several of these questions instead of all as time allows.**

---

### **PRAY** (10 min)

Pray as a group with the expectation for everything that God will do in 2024, in and through Awaken Las Vegas!

### **REFLECT** (25 min)

As you've had the opportunity to reflect on what God has spoken to you through the lesson this week, consider these questions as a group and discuss them.

- 1. Why is it important for a church to have a mission and vision? What is ours?**  
(hint you can visit our website's about page to find it)
- 2. Why is it important for believers to actively pursue an awakening among the spiritually lost?**
- 3. How can you, as an individual member contribute to the vision and mission of the church on a day-to-day basis?**
- 4. What are some areas in your life that God needs to do a little digging to break new ground?**
